HOSPITAL DOORS

Lindo[®] - Dermeidos[®]

SHD

1987

Sorima Group, founded in Milan, distinguishes itself from the competition in the civic infrastructure and healthcare sectors, thanks to the successful application of the vitreous enamel steel.

2000

Following the success of the Sorima Group in the hospital sector, the shareholders decide to push its development by establishing a dedicated company:

SHD ITALIA S.r.l.

2016

Facility enlargement, insourcing of production plant and new corporate identity.

SURGICAL

I.C.U.

DIALYSIS

C.S.S.D.

For more than 30 years, SHD ITALIA designs, manufactures and installs all over the world its prefabricated modular wall systems for operating rooms, intensive care units, dialysis and sterilization departments, meeting the needs of the most demanding customers in the healthcare industry.

SHD ITALIA
is an Italian Family Company

HOSPITAL DOORS

LINDO® AND DERMEIDOS®

Our doors are manufactured at our premises, in Italy. Since more than 30 years we are dedicating our experience in the healthcare sector to bring the best quality to the end users all over the world.

All our hospital doors are certified and recommended for controlled bacterial contamination workplaces. We have different range of doors which can satisfy every need: Lindo®, suitable for hospital critical environments, and Dermeidos®, for patient and adjoining rooms.

Both can be installed on prefabricated modular systems or traditional walls.

Our wide range of colors and dimensions allows us to meet all customers' needs.

Our doors are compliant with the following the EC directives:

- Machinery Directive (2006/42/EC and subsequent amendments and additions);
- community directive relating to electromagnetic compatibility (92/31/EEC D. Lgs. 4/12/92 n° 476 and subsequent amendments and additions);
- Low Voltage Directive (2006/95/EC and subsequent amendments and additions);
- regulations cover safety in use of power operated pedestrian door sets used for normal access (UNI EN 16005).

LINDO® DOORS

FOR THE MOST CRITICAL AREAS

WE
MEET
YOUR
NEEDS
